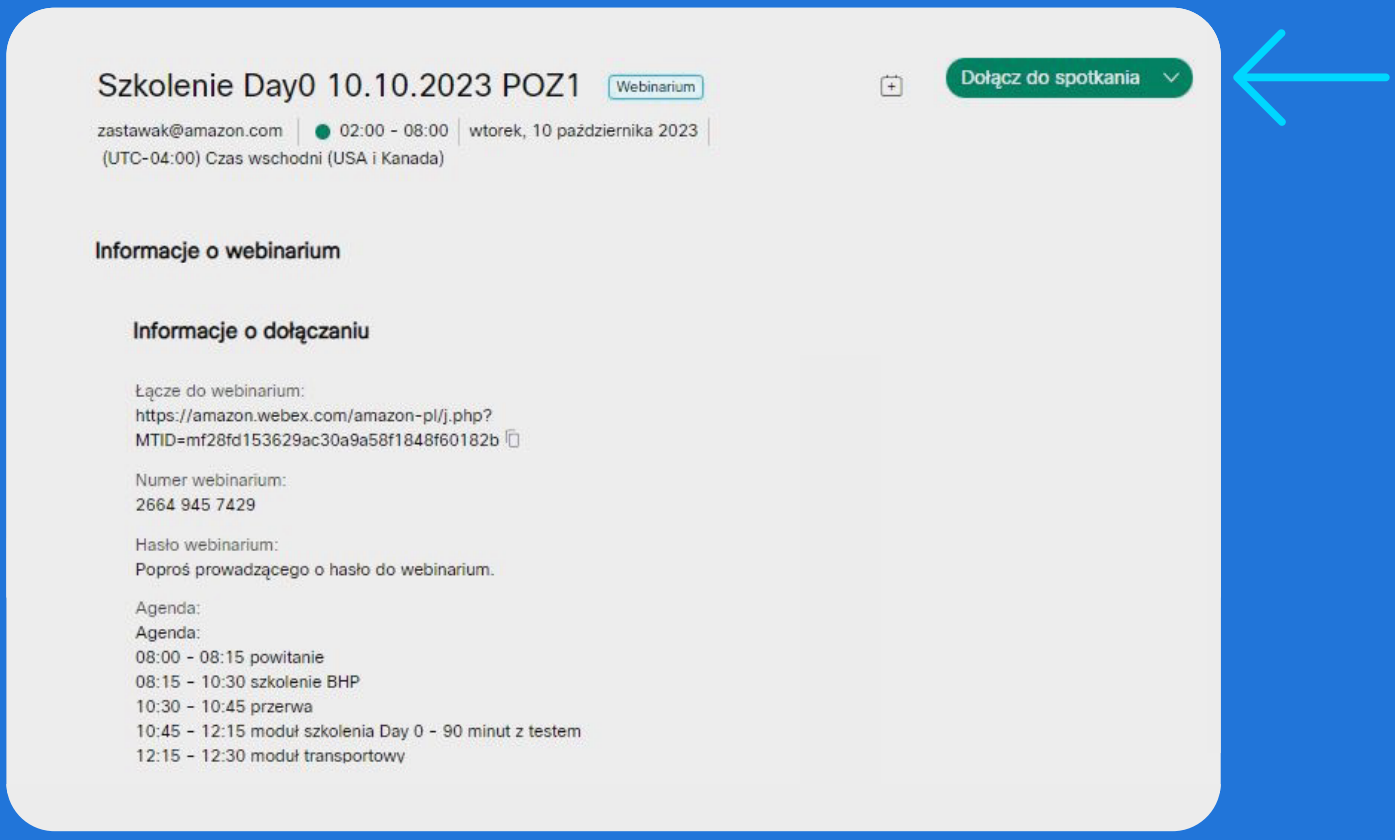
Day0 training is conducted using the Webex communicator. To participate in the meeting, you need to have a device with Internet access.

01 Open the web browser and enter the link you received in the SMS message or finds the meeting invitation message in your email inbox. Once you follow the appropriate link in the invitation and the page loads, click Dołącz do spotkania.



02 The screen will display the message Rozpoczynanie webinarium. Click Dołącz z przeglądarki. This way you don't need to download the Webex application. The meeting will open in a browser window
