A blue arrow pointing downwards, indicating the next step in the process.

04 In the next step click “Join”.  
The application may ask for permission to use your microphone. You must accept this, otherwise you won’t be able to hear the presenter.

05

It worked! After the meeting presenter appears, the presentation will be displayed on the main event screen. During the meeting, we don't use the microphone, questions are asked using the **CHAT**. To post in the chat, click the highlighted icon in the upper right corner, then click "Chat" at the bottom and "Chat with all participants".
